

Tax Credit Information

Use the Arizona Public School Tax Credit! You can benefit yourself and Khalsa Montessori Students.

You can pay \$400 (\$200 if single) in state taxes to the Khalsa Montessori Elementary School in support of the Khalsa Montessori Elementary School Activity Fund. You need not be associated with the school to reap the benefits! The state allows your family to gift up to \$400 (\$200 if single) to any Arizona public school Activity Fund and take the amount gifted directly off your state income taxes. As a state charter school, the Khalsa Montessori Elementary School (KMS) qualifies for this credit.

Where will the money go?

The money will be spent to expand special learning activities for Khalsa Montessori Elementary School children. In past years, the Khalsa Montessori Activity Fund has been used to continue enriching student learning through all of our special character education programs like gardening, yoga, Spanish, and monthly field trips connected to curriculum studies. These programs allow students to apply character traits of responsibility, compassion, attentiveness, truthfulness, respect, diligence, sincerity, and virtue. Additionally, students showcase their talents at the annual holiday program performances. Donations also enabled us to offer additional activity fee discounts to families who qualify for further assistance.

If I donate \$400, can I actually save more than \$400 by saving on both my state and my federal tax returns?

Yes, every dollar gifted is taken directly off your state income tax bill or refunded back to you if you do not owe additional taxes. Then, you may also utilize your tax-deductible donation on your federal tax return, thus, reducing your federal taxes if applicable. You do save more than you give!
