

Khalsa Montessori School

7/15/20

Dear Khalsa Community,

A quick reminder that this afternoon the KMS Roadmap for Re-Opening Zoom meeting will be held from 4pm-5pm. I hope you will join us in reviewing the Fall Operational Plan as well as answering your questions. I will extend the date to register one additional week to give families time to return their registration packets.

It is our intention to start school on August 17, offering both in-person and distance learning for charter school students. If the Governor requires that all learning be distance learning then we will begin all charter school students with distance learning. If the Governor declares all schools must be closed until after Labor Day or October 1, then we will be closed until that time.

The primary and toddler programs will start on August 17 in person and with a distance learning component for those families who choose that option. The younger children are licensed through the Arizona Department of Health Services as a daycare center. This program is allowed to be open. We plan on staying open regardless of the charter school's status. If the Governor orders all daycare centers closed, we will close. I do not think this is likely to happen.

Thank you for all your kind words of encouragement and appreciation. We are all in this together and will persevere as one community.

Sincerely,

Karen Paxton
