

Khalsa Montessori School

8/12/20

Dear Khalsa Community,

The Board of Directors met Monday afternoon and approved the SY 20-21 Fall Operational Plan. We have finalized our rosters and are planning to meet everyone this Monday, virtually or in-person.

Thank you for attending the August 5th KMS Roadmap for Re-Opening Town Hall. If you missed it, here is a [link to watch](#). The State of Arizona continues to experience consecutive rolling two weeks periods of declining cases (<https://www.azdhs.gov/preparedness/epidemiology-disease-control/infectious-disease-epidemiology/covid-19/dashboards/>) as well as decreasing positive percentages of those tested and declining numbers of patients in the Emergency Room who are positive or suspected positive for COVID-19 (<https://www.azdhs.gov/preparedness/epidemiology-disease-control/infectious-disease-epidemiology/covid-19/dashboards/>). This is continuing the previous weeks' downward trends. The John Hopkins Coronavirus Resource Center (<https://coronavirus.jhu.edu/data/new-cases-50-states/arizona>) is showing Arizona as green with a 64% drop in cases. This data continues to trend in the direction that we want.

You will receive information from your child's Lead Teacher regarding the first day's expectations, what to bring, and schedules. A method to sign up for your Parent Priority Meeting will arrive shortly.

Our staff has been working hard to prepare for this new version of a school year. We are excited to see everyone Monday and begin our new educational journey together.

Sincerely,

Karen Paxton
