Dear Khalsa Community,

Last night, guest speaker Kathy Leitch, the Executive Director from the International Montessori Council gave a presentation on “Bridging the COVID Gap with Montessori.” Many, if not all of you, have heard me speak about the value of a Montessori education. She offered her perspective which included thoughts about the Happiness Formula for mental well-being. Here is a recording of the Town Hall if you missed it or would like to share it.

There is no school on Monday, March 8th. This is an In-service day for school staff and Vacation Care is available for those who are registered.

And finally, a quick reminder that all registration packets are due next Wednesday, March 10th, no later than 3:30pm.

Enjoy the weekend!

Sincerely,
