Greetings Khalsa families!

Happy April!

Khalsa staff and students have been busy preparing for the AzM2 (AZ Merit 2 Standardized Testing). We are confident that our students will do well with their best efforts. If you discuss this testing with your student, please encourage them to listen as they are given the instructions and to ask questions if they have them. Montessori classrooms prepare students for challenges such as this one. We ask that you help your student prepare by getting a good night's sleep and a hearty breakfast to fuel their bodies for each day this week – and always. Leave a bit early so that you are not rushed and invite your student to pick out the music or their favorite podcast for the ride in. Set them up for success starting the night before!

We wish you all a wonderful weekend however you may be celebrating it!

See you Monday,
