Dear Khalsa Community,

Last night the Khalsa Montessori School Board voted on the KMS Fall Operating Plan. Due to the continuing COVID-19 Delta Variant surge, the board approved requiring masks on campus. The school's first duty is to protect our students and staff while creating a safe environment for learning. The CDC and MCDPH both recognize the importance of masking indoors for schools. While we had hoped to loosen restrictions from last year, the current situation demands strict protocols. We will no longer require temperature checks and health attestation forms. We will continue to separate classrooms into distinct cohorts throughout the day.

Please join me tomorrow night to review the plan and answer questions.

Karen Paxton is inviting you to a scheduled Zoom meeting.
