

Upper Elementary Student Supply List 2023 - 2024 School Year

All students should bring on the **second day of school**:

Note: These items will be put in a collective pool for use throughout the year. Please do not label these with student names.

- 1 three-ring binder with pockets (1")
- 1 package of colored pencils (12 colors)
- 1 12" translucent, acrylic office ruler with inches and centimeters
- 1 pair of dishwashing gloves
- 1 pencil pouch or pencil box
- 1 pair of soft-grip, straight-handled 7" scissors
- 1 package of Pentel hi-polymer erasers (4 pack)
- 1 package of black dry-erase markers (2-3 pack)
- 1 plastic box for index cards (*if needed - returning students may already have one*)
- 2 pencil sharpeners
- 3 composition, college-ruled notebooks (approximately 100 pages each)
- 2 two-pocket folders, poly-material, no hole fasteners
- 2 containers of disinfectant wipes (any brand is okay)

At this time, we have an abundance of paper products and do not need additional writing paper, graph paper, or notecards. However, we may ask for these at the start of the second semester if they are needed.

In Upper Elementary, all students use a backpack to transport their belongings. Each student also needs an insulated lunchbox (we do not have cooled storage) with ice packs, as well as a reusable water bottle, preferably with a strap. (When on walking field trips, students need to be "hands-free".)

To help students successfully complete their homework assignments, students need the following items at home:

- College-ruled notebook filler paper
- 4-square per inch graph paper
- Drawing compass or circle template
- Small, plastic protractor
- Acrylic office ruler with inches and centimeters
- Pencils - regular and red for editing
- Dictionary
- Thesaurus
- 3x5" lined, white index cards (for research)
